Promoting your business by supporting your local community radio

Community Radio is a resource that encourages local involvement through its programs and outside broadcasts which are tailored to meet the needs of community.

Plenty Valley FM is the Community Radio Station for the north-eastern fringe of Melbourne, specifically within the Cities of Whittlesea and Banyule and the Shire of Nillumbik. Through online streaming, we broadcast around the country and the world.

Plenty Valley FM is the local Designated Emergency Broadcaster for this area and is a vital link in the provision of vital Emergency Advice & Warnings to the local Community.

Becoming a Corporate Member of Plenty Valley FM enables you to support this great community asset while promoting your business through one of the most localized forms of media available.

An investment in Plenty Valley FM is an investment in your community.

The annual supporter fee is **\$220.00** including GST and this entitles you to:

- **A 10% reduction off our standard rates for future advertising.**
- **A link from our Website to yours.**
- **Prominent display of your business on our website**
- **Prominent display of your business in our newsletters**
- **Acknowledged as a Plenty Valley FM Emergency Broadcast Supporter**
